

**City of Arlington  
Water Resource Services**

**INFORMATION FOR BACKFLOW TESTERS**

*"Respected and Trusted Leaders  
in the Water Industry"*

- To register, you are required to come to our office at 200 N. Cooper Street, Arlington, TX 76011. You must bring your TCEQ Backflow License, Driver's License, and a gauge calibration report.
- You are required to use City of Arlington test forms, which we provide. Leave a copy with the customer, keep a copy, and send the original white test copy to our office, within 10 days of performing the test. The forms can be mailed or delivered personally.
- Pick up free backflow test forms Monday through Friday, 8:00 a.m. to 5:00 p.m.
- Your City registration expires on your TCEQ Backflow License expiration date. You are required to come in to re-register at that time. There is no fee at present.
- Submit a copy of your gauge calibration report each time it is calibrated.
